Show CLOSED to all but judges and staff
- **1:30 p. m. to 3 p.m. –**
SHOW OPEN TO PUBLIC FOR VIEWING

OBTAINING EXHIBIT TAGS IN ADVANCE:

Avoid congestion on the morning of the show! Exhibit tags will be available in advance at our August 7th club meeting (see page 4 of this guide for details).

Welcome and Good Luck!

About the Naperville Community Gardeners

NCG was founded in 1980 as the “Naperville Men’s Garden Club” with membership from Naperville and the surrounding communities. Membership was restricted to men for the first few years, but is now open to anyone interested in gardening, regardless of gender or age. The objectives of the club are:

- To stimulate interest in and increase knowledge of amateur gardening.
- To provide the opportunity for those interested in gardening to learn and to work together with others to share their knowledge and experience in a spirit of fellowship.
- To promote civic interest and pride in private gardens, community plantings, and local beautification.

Annual membership dues are currently \$20 per person.

Class 1100 – Fruits, Nuts, and Melons.....	22
Class 1200 – Largest/Oddest	22

MISCELLANEOUS CLASSES

Class 1300 - Artistic Arrangements and Art	23
Class 1400 - Youth Category.....	23

Club Meeting Schedule and General Information

Regular meetings on the 1st Monday of each month, with some exceptions, begin at 7:00 p.m. at:

Knox Presbyterian Church
1105 Catalpa Lane
Naperville IL 60540

A brief club business meeting is followed by a refreshment and conversation break. After chatting and sharing tips and stories from our gardens, we have a guest speaker program. Topics are varied and fascinating!

Always check the club website for information on programs and events!

www.napervillecommunitygardeners.org

Please note that typically there are no meetings in July, November, or December of each year, but we usually have a Harvest Banquet for members in November.

While the annual banquet is a member event, all are welcome to our traditional pot-luck during our regular October meeting. Everyone brings a dish to share, which takes us beyond our typical meeting snack break!

***Feel free to come and join us, even without “joining” us!
Members and non-members alike are welcome
at NCG meetings!***

Club Activities

Plant Sale

This sale is traditionally held on the Saturday prior to Mothers' Day and is the club's major fundraiser. Funds raised go to support club events and programs, but also to help across the community where and when possible.

Summer Picnic

The summer picnic follows a tour of selected gardens or green spaces. This picnic typically takes place in July, when we have no regular club meeting scheduled.

Flower & Garden Show

Participation is open to the public with accredited judging, ribbons, and cash awards. The show is generally held the 3rd Saturday in August.

Harvest Banquet

The fall dinner features light entertainment and prizes.

NCG also has a tradition and history of community involvement and contribution, including but not restricted to:

College of DuPage – annual horticultural student scholarships

Naper Settlement – planting of annuals and care of rose beds

Ogden Avenue Post Office - native garden planting and care

Naperville Riverwalk Foundation – annual donation

Naperville Park District - mulching and care of selected Riverwalk beds

Naperville Demonstration Gardens - sponsorship, planting, and care of the gardens including the Sensory Garden

General Show Rules

1. The general public is eligible to exhibit and entry is free of charge with no limit on number of exhibits per exhibitor.
2. Entries in the specimen classifications (flowers, plants, vegetables, and fruits) must be grown by the exhibitor. Houseplants must have been in the exhibitor's possession for **at least** three months.
3. Exhibits may be entered between 7:00 and 10:00 a.m. on the day of the show. **Doors will close to new entries at 10:00 a.m. and exhibitors must leave the show floor by 10:30 a.m.**
4. Exhibitors must register at the entry desk and **obtain a registration number** that must appear on each exhibit tag. **Tags must be filled out completely, top and bottom.** See page 12 for instructions.
5. Vases or bottles are recommended for exhibiting specimen flowers and must be provided by the exhibitor. The club will furnish plain paper plates for vegetable and fruit specimens. All containers and decorative elements for arrangements must be supplied by the exhibitor.
6. Correctly label all entries with the type and variety. **Mislabeled or wrongly classified entries may be reclassified or disqualified.** If the exhibitor is in doubt, he or she should consult a member of the Show Committee. **Follow the instructions in the show guide for each class and section, for examples on how many stems or blossoms are required and if foliage is required.**
7. Place specimens in the appropriate designated area for their class. The Show Committee will make the final placement on the display tables of all exhibits, except the arrangement classes.
8. The Show Committee or judges may subdivide any section when, in their opinion, the entries are sufficiently numerous and/or varied in character, and the judges shall make separate awards as merited.
9. During the judging, **only** the judges, clerks, and Show Committee personnel will be permitted in the show area.
10. Exhibits will be open for public viewing upon completion of the judging, estimated to be from 1:30 p.m. to 3:00 p.m.
11. First, second, and third place ribbons will be awarded in each section where the quality warrants. The decisions of the judges are final.
12. **No exhibits may be removed nor any part thereof be given away by an exhibitor prior to 3:00 p.m. on the day of the show.**

13. Dismantling of the show will begin at 3:00 p.m. Disposition of any exhibits not claimed at that time will be at the discretion of the Show Committee.
14. While due care will be taken of the personal property of all exhibitors, no responsibility will be assumed by the Show Committee, the Club, or the Naperville Park District for any loss or damage.

Awards

1. **First, second, and third place** ribbons will be awarded in each section. Awards may be given for variety and/or colors within each section provided the number of entries justify.
2. **Best of Class Awards** will be granted to the best entry in Classes 100 to 1100 and 1300 to 1400. A cash prize of \$5.00 will be awarded for Best of Class.
3. The award for **Best Flower** will be chosen from the Best of Class awards from classes 100 to 600. A Cash prize of \$10.00 will be awarded for Best Flower.
4. The award for **Best Vegetable/Fruit** will be chosen from the Best of Class awards from classes 1000A to 1100. A cash prize of \$10.00 will be awarded for Best Vegetable/Fruit.
5. The award for **Best of Show** will be chosen from the Best Flower and the Best Vegetable/Fruit by written ballot. A cash prize of \$20.00 will be **awarded for Best of Show**.
6. **The Ben Calvert Award** will be given to a member of Naperville Community Gardeners. A member must exhibit in a **minimum of five classes** (excluding Classes 1200, 1300 and 1400). The member who accumulates the highest number of points based on the following scoring will be awarded a \$10.00 cash prize.

Best of Show	25 points
Best Flower	20 points
Best Vegetable/Fruit	20 points
Best of Class	10 points
First Place	3 points
Second Place	2 points
Third Place	1 point

Preparing Flowers for Exhibition

1. Don't insist on perfection; bring as many good specimens as you have.
2. Don't bring specimens that are past their prime. Flowers which are not quite mature when cut may be at their best at judging time. Nice, uniform, upstanding specimens with balance between bloom size, stem length, and foliage have most appeal.
3. Decorative containers are permitted but they do not influence the judge's scoring of the exhibit (unless noted as part of the exhibit in the Class description). Clear, inexpensive bottles or vases are recommended. NCG is not responsible for any damages to or loss of exhibitors' containers.
4. Exhibitors are especially encouraged to properly and effectively support exhibits. Maintain a proper proportion between the size of the specimen and the size of the container as this helps with support. The specimen may be wedged with Styrofoam, plastic wrap, aluminum foil or other material.
5. If the schedule calls for blooms to be a certain size, please measure carefully. You can be sure the judges will!
6. To be at their best at the time of judging, flowers should be cut the afternoon or evening before the show. Avoid wetting the blooms. For most flowers, hardening overnight in a cool, dark, draft-free room with stems deeply immersed in cold water will maintain the blooms in good condition for the show.
7. Groom your entries for the show carefully. Remove all insects and spray or dust residues. Don't oil or wax the leaves - clean them with a damp cloth and rub gently with your fingers to bring out the natural gloss of the foliage.
8. Potted plants are judged including the pot, so be sure the pot is clean. The quality of the overall presentation—how it was placed in the container, which way the flower faces, etc. is important to judges.
9. Carefully handle and transport all entries. Keep the flowers separated to avoid breaking, tearing, or bruising the bloom or foliage. This takes a little time, but it's the difference between winners and the also-rans.
10. When completing your entry tags, **include the cultivar or variety name**. It's a help to everyone and many judges will not award a ribbon without this.
11. TRY NOT TO OVERFILL VASES/CONTAINERS WITH WATER, PLEASE.

Preparing Vegetables and Fruits for Exhibition

1. Vegetables/fruits for exhibition must be mature and edible! Choose exhibits that are pleasing to you. If they are not, skip entering them, unless due to seasonal or other unusual conditions, merely having a specimen is a triumph.
2. By all means, clean, trim, prune, and otherwise improve appearance and symmetry by natural means. Wash, but don't scrub. Torn, loose, brown, spotted, and otherwise unpleasing material should be removed. Remove all insects.
3. If the rules specify three tomatoes, don't exhibit two. If the onion tops are to be trimmed, don't leave them on. Where necessary, please measure the entries to ensure they are entered into the correct class. Rules may vary, so be sure to read and follow the Show Schedule carefully.
4. Uniformity is important. If six string beans are exhibited, try to have six pods similar in size, color, and shape. One of the most important elements in winning a prize is an overall pleasing appearance.
5. Like flower exhibits, the vegetable/fruit specimens are seldom first prize winners solely because of a large size. Moderate to good size is your best bet and will rate highest with the Gardeners of America accredited judges.
6. Take care - even the finest specimens may be damaged in harvesting, cleaning, storing and transporting.
7. TRY NOT TO OVERFILL VASES/CONTAINERS WITH WATER, PLEASE.

How to Enter an Exhibit

A completed entry tag must be submitted with each exhibit entered. Tags are available at club meetings prior to the show (to get a jump on filling them out!) and on site on day of show.

**Naperville Community Gardeners
Flower & Garden Show
Entry Tag**

Class _____ Section _____

Enter the class and section numbers from the Show Classification Schedule.

Enter variety. (Rose varieties must be named correctly.)

Obtain registration number from entrance clerk at show and enter here.

Print your name, address and city. (Rule 4, page 8.)

Fill in bottom section the same as the top section.

Fold up at dotted line and tuck bottom edge under cut-out flap.

IMPORTANT: The completed tag MUST be attached to your exhibit. If necessary, tape your tag to your exhibit, BUT . . . REMEMBER:

The bottom portion of tag will be removed after judging for tallying points, so it has to be accessible and detachable.

Classification Schedule

Flowers and Foliage

CLASS 100 - ANNUALS AND BIENNIALS

Eligible for Best of Class, Best Flower, and Best of Show.

The committee will subdivide similar varieties and colors. Multiple entries should be of the same variety, color and size, except where noted.

Unlimited number of blooms, unless otherwise noted.

Section and Variety

- 101 Angelonia - One (1) stalk
- 102 Asters - Three (3) blooms
- 103 Begonias - Three (3) stems
- 104 Cleome – One (1) stalk
- 105 Coleus - Three (3) stalks, without flowers
- 106 Cosmos - Three (3) stems
- 107 Daisy - One (1) bloom
- 108 Datura/Brugsmania - One (1) bloom
- 109 Dianthus
 - 109 A Pinks - Three (3) stems
 - 109 B Sweet William - Three (3) stems
- 110 Dusty Miller - Three (3) stems
- 111 Flowering Kale or Cabbage - One (1) head
- 112 Fuchsia - One (1) stem with at least three (3) blooms
- 113 Geranium (pelargonium) - One (1) stem
- 114 Hollyhock - One (1) stalk
- 115 Impatiens - Three (3) stems
- 116 Lantana - Three (3) stems
- 117 Marigolds, with foliage
 - 117 A Large - Three (3) blooms, over 3"
 - 117 B Small, single or double - Three (3) blooms under 3"
- 118 Nasturtium - Three (3) blooms
- 119 Nicotiana - Three (3) stalks
- 120 Ornamental Grass - Three (3) stems
- 121 Pansy - Three (3) blooms
- 122 Petunia - Three (3) stems
- 123 Salvia - Three (3) stems
- 124 Snapdragons - Three (3) stalks
 - 124 A Dwarf
 - 124 B Standard

Section and Variety

- 125 Sunflower
 - 125 A Flower less than 4" - One (1) head
 - 125 B Flower between 4" and 8" - One (1) head
 - 125 C Flower larger than 8" - One (1) head
- 126 Verbena - Three (3) stems
- 127 Vinca - Three (3) stems
- 128 Vining Annual –all vines must be supported
 - 128 A Flowering - One (1) spray or bloom
 - 128 B Flowering - Three (3) sprays or blooms
 - 128 C Non-flowering – One (1) stem
- 129 Zinnias
 - 129 A Small - Three (3) blooms under 4"
 - 129 B Giant - One (1) bloom over 4"
- 130 Other
 - 130 A One (1) stalk (for example, a Castor Bean stalk)
 - 130 B Three (3) stems

Annuals - Decorative attributes

- 131 Gourds One (1)
- 132 Decorative seed head – One (1) to three (3)

CLASS 200 - PERENNIALS AND TENDER PERENNIALS

Eligible for Best of Class, Best Flower, and Best of Show

The committee will subdivide similar varieties and colors. Multiple entries should be of the same variety, color and size, except where noted.

Unlimited number of blooms, unless otherwise noted.

Section and Variety

Hostas

- 201 Hostas (measured across the width of the leaf)
 - 201 A Leaves under 4" - One (1) leaf
 - 201 B Leaves 4"-8" - One (1) leaf
 - 201 C Leaves larger than 8" - One (1) leaf
 - 201 D Hosta Flowers - One (1) stem

Flowering Perennials

- 202 Asters (hardy) - Three (3) stems
- 203 Bellflower (Campanula) - Five (5) stems
- 204 Black-eyed Susan (Rudbeckia) - Three (3) blooms

Section and Variety

- 205 Blanketflower (Gaillardia) - Three (3) blooms
- 206 Butterfly Bush (Buddleia) - One (1) spray

Section and Variety

207 Chrysanthemums

207 A One (1) spray or bloom

207 B Three (3) sprays or blooms

208 Coreopsis - Three (3) blooms

209 Daylily (Hemerocallis) - One (1) scape

210 Coneflower (Echinacea) - Three (3) blooms

Section and Variety

211 Cranesbill (Geranium) - Three (3) blooms

212 Hibiscus - One (1) branch

213 Larkspur (Delphinium) - One (1) spike

214 Lily (Lillium) - One (1) stem

215 Phlox - One (1) stalk

216 Pinks (Dianthus), perennial type - Three (3) stems

217 Russian Sage (Perovskia) - Three (3) stems

218 Sage (Salvia), perennial type - Three (3) stems

219 Shasta Daisy (Leucanthemum) - Three (3) blooms

220 Stonecrop (Sedum) - Three (3) stems with blooms

221 Yarrow (Achillea) - Three (3) stems

222 Any other perennial or tender perennial not listed

222 A One (1) stalk

222 B Three (3) blooms

Perennials - Decorative attributes

223 Foliage/Other

223 A Brunnera - One (1) leaf

223 B Coral Bells (Heuchera) - Three (3) leaves

223 C Lungwort (Pulmonaria) - One (1) leaf

223 D Other (except vines) - One (1) leaf

224 Decorative seedhead – One (1) to three (3)

Perennial Grasses, Shrubs, and Trees

225 Ornamental Grasses

225 A 18 inches or less - Three (3) stalks, same length-cut at ground

225 B Over 18 inches - Three (3) stalks, same length-cut at ground

226 Flowering Shrub

226 A One (1) spray

226 B Three (3) sprays

227 Hydrangea - One (1) bloom

228 Rose of Sharon (Hibiscus syriacus) - One (1) stem

229 Any other Shrub or Tree Foliage - One (1) stem

Perennial Vines

Section and Variety

- 230 Vining Perennial – all vines must be supported
 - 230 A Flowering - One (1) spray or bloom
 - 230 B Flowering - Three (3) sprays or blooms
 - 230 C Non-flowering – One (1) stem

CLASS 300 - GLADIOLUS AND SUMMER BULBS

Eligible for Best of Class, Best Flower, and Best of Show.

Section and Variety

- 301 Gladiolus individual flowers under 3-1/2”
 - 301 A One (1) spike
 - 301 B Three (3) spikes
- 302 Gladiolus individual flowers over 3-1/2”
 - 302 A One (1) spike
 - 302 B Three (3) spikes
- 303 Caladium - One (1) leaf
- 304 Calla - One (1) flower
- 305 Canna - One (1) spike (foliage optional)
- 306 Elephant Ear - One (1) leaf
- 307 Eucomis (Pineapple Lily) - One (1) stem
- 308 Lycoris (Summer Amaryllis) - One (1) stem
- 309 Tuberous Begonias
- 310 Other summer bulbs/corms/tubers - One (1) stem

CLASS 400 - ROSES

Eligible for Best of Class, Best Flower, and Best of Show.

One stem per entry. Must be correctly named and follow American Rose Society (ARS) color classification.

Section

- 401 Climbers - One (1) spray
- 402 Shrubs or Carpet - One (1) bloom or one (1) spray
- 403 Miniature - One (1) spray
- 404 Tea - One (1) bloom
- 405 Floribunda - One (1) bloom or one (1) spray

CLASS 500 - DAHLIAS

Eligible for Best of Class, Best Flower, and Best of Show.

One stem per entry. Foliage not required. Must be correctly named and follow The American Dahlia Society (ADS) size and form classification.

NOTE: PLEASE KNOW YOUR DAHLIA SECTION NUMBER FOR TAG!

Section and Variety

- 501 Over 8 inches - One (1) bloom
 - 501 A Formal Decorative
 - 501 B Informal Decorative
 - 501 C Semi-cactus
- 501 D Cactus
- 502 Over 4 and up to 8 inches - One (1) bloom
 - 502 A Formal Decorative
 - 502 B Informal Decorative
 - 502 C Semi-cactus
 - 502 D Cactus
- 503 Up to 4 inches - Formal Decorative, Informal Decorative, Semicactus or Cactus
 - 503 A Three (3) blooms, same named variety
 - 503 B Six (6) blooms, each a different named variety
- 504 Up to 4 inches - Single, pompon, ball and other types.
 - 504 A Three (3) blooms, same named variety
 - 504 B Six (6) blooms, each a different named variety

CLASS 600 - POTTED PLANTS

Eligible for Best of Class

Section and Variety

- 601 African Violets - Single crown plants in bloom
- 602 Begonias
 - 602 A Tuberous rooted
 - 602 B Fibrous rooted
 - 602 C Rex type
 - 602 D Angel wing type
- 603 Bonsai
- 604 Cacti
 - 604 A Single plant
 - 604 B Collection of different cacti in one container
- 605 Coleus
- 606 Foliage Plants
 - 606 A Single species
 - 606 B Mixed

Section and Variety

- 607 Geraniums (Pelargonium)
 - 607 A In bloom
 - 607 B Fancy leaf (not necessarily in bloom)
 - 607 C Scented leaf (not necessarily in bloom)
- 608 Gesneriads - in bloom
- 609 Orchids
- 610 Succulents
 - 610 A Sedums
 - 610 B Sempervivums
 - 610 C Other types
- 611 Terrariums (no artificial material permitted)

Section and Variety

- 612 Vines
 - 612 A Flowering vines - in bloom
 - 612 B Foliage vines
- 613 Any other potted plant not listed above
 - 613 A Singles species
 - 613 B A collection of different plants in one container

CLASS 700 – n/a in 2017

CLASS 800 – n/a in 2017

CLASS 900 – HANGING PLANTS

Eligible for Best of Class

Section

- 901 Flowering – must be in bloom
- 902 Foliage
- 903 Succulent
- 904 Mixed – foliage/succulent and flowers, in bloom

Classification Schedule

Vegetables and Fruits

CLASS 1000 A – VEGETABLES/FRUITS - BUSH TYPES

Eligible for Best of Class, Best Vegetable/Fruit, and Best of Show

Section and Variety

- 1001 Beans
 - 1001 A Green - Six (6) pods
 - 1001 B Lima - Six (6) pods
 - 1001 C Wax - Six (6) pods
 - 1001 D Dried - One (1) cup
 - 1001 E Others - Six (6) pods
- 1002 Broccoli
 - 1002 A One (1) head, trimmed
 - 1002 B Three (3) side shoots
- 1003 Brussels Sprouts - Six (6) heads
- 1004 Cabbage - One (1) head with 3 to 4 guard leaves
- 1005 Cauliflower - One (1) head, leaves trimmed level with head
- 1006 Celery - One (1) plant, roots neatly trimmed, staged in water
- 1007 Corn - Three (3) ears, unhusked with one side exposed
- 1008 Eggplant
 - 1008 A Regular, over 4 inches in length - One (1)
 - 1008 B Miniature, under 4 inches in length - Three (3)
- 1009 Endive - One (1) head with roots staged in water
- 1010 Kale - One (1) stalk, may be staged in water
- 1011 Lettuce
 - 1011 A One (1) head with roots staged in water
 - 1011 B One (1) bunch with roots staged in water
- 1012 Peppers - stems trimmed from 1/2" to 3/4"
 - 1012 A Hot - green - Three (3)
 - 1012 B Hot – yellow or red - Three (3)
 - 1012 C Hot - other - Three (3)
 - 1012 D Sweet - green - Three (3)
 - 1012 E Sweet – yellow or red - Three (3)
 - 1012 F Sweet - other - Three (3)
- 1013 Rhubarb - Three (3) stalks
- 1014 Swiss Chard - One (1) stalk with leaf, may be staged in water
- 1015 Okra - Three (3) pods with 1/2" stems
- 1016 Other bush type vegetables/fruits not listed - Three (3)

CLASS 1000 B - VEGETABLES - ROOT TYPES

Eligible for Best of Class, Best Vegetable/Fruit, and Best of Show

Section and Variety

- 1031 Beets - Three (3), trim leaves to 1-1/2"
- 1032 Carrots - Three (3), trim leaves to 1-1/2"
- 1033 Garlic
 - 1033 A Soft neck - Three (3) bulbs
 - 1033 B Hard neck - Three (3) bulbs
- 1034 Kohlrabi - One (1), roots trimmed to 1/2", large leaves trimmed

Classification Schedule

Miscellaneous Classes

CLASS 1300 - ARTISTIC ARRANGEMENTS AND ART

Eligible for Best of Class.

Horticultural materials, but no artificial plant materials, are to be included in an arrangement. The exhibitor need not grow materials used. Exhibitors shall furnish their own containers. **Only one entry permitted per section by the same exhibitor.** Accessories are permitted only in the sections specified - bases are permitted. Arrangements are to be viewed from all sides. No backgrounds are permitted. Exhibitors are asked to place a 3" x 5" card with their entry listing the significant plant material used.

Section

- 1301 Arrangement featuring one or more kind of flower
- 1302 Arrangement featuring foliage, ornamental grasses or reeds
- 1303 Monochromatic arrangement - one hue including foliage and container
- 1304 Small arrangements, 8" x 8" x 8" or smaller
- 1305 Miniature arrangements, 3" x 3" x 3" or smaller
- 1306 Arrangement featuring fruits and/or vegetables
- 1307 Collection of genus, minimum of 3 types
- 1308 **NCG MEMBERS ONLY** - featuring the nemesis - WEEDS
Accessories acceptable, weeds may be fresh, cut or dried - weeds *must* predominate
- 1309 **NCG MEMBERS ONLY** - "My Favorite Hobby"
No restrictions, no plant material required, accessories permitted.
- 1310 **Garden Art** - Art for use in the garden. Must be designed and created by the submitter.

CLASS 1400 - YOUTH CATEGORY

Eligible for Best of Class.

Anyone who is a high school senior or younger may enter in this category. Youth are also welcome to exhibit in any other category. This class will be judged by club members. One, two or three specimens may be included in each exhibit.

Section

- 1401 Vegetables/Fruits
- 1402 Flowers
- 1403 Fruit
- 1404 Artistic arrangements using natural materials
